Absolutely no obligation

Renters, if your place is broken into, damaged, vandalized or completely destroyed, can you afford the loss?

Who pays when something is stolen from your unlocked car or unattended boat?

If you are sued for a negligent act, are you going to be able to afford an attorney, let alone pay if you lose?

For more information on how to protect yourself from these losses, call Jerry Lundren at 31355 or stop in and see him at 3900P.
